

Application No. 10/699,627
Preliminary Amendment dated February 11, 2004

Remarks

Claim 18 has been amended and claims 1-19 remain in the application. The specification has been amended to more correctly describe the operation of the invention of Figs. 4-5. Applicants submit that the claims in the application are patentably distinct and allowable, and the Examiner is invited to call the undersigned attorney should any questions arise.

Respectfully submitted,

C. Richard Eby, Reg. No. 25,854
